Pursuant to Section 4A (b) (2) of the Export Administration Act of 1969, as amended (50 U.S.C. App. 2401 et. seq.), information regarding the quantity, description, and value of any articles, materials and supplies, including technical data and other information, to which this report relates will be kept confidential when the reporting person certifies that disclosure would place a United States person involved at a competitive disadvantage, unless the Secretary of Commerce determines that disclosure thereof would not place such United States person at a competitive disadvantage or that it would be contrary to the national interest to withhold the information.

A **BATCH** **69H7**

This report is required by law (50 U.S.C. App. §2403-1a(b); P.L. 95-52; E.O. 12002; 15 CFR Part 369). Failure to report can result both in criminal penalties, including fines or imprisonment, and administrative sanctions.

List each transaction across the sheet, completing all items that apply. Use as many lines as necessary, but separate transactions with a blank space or line. Assemble original report forms and accompanying documents as a unit, and submit intact and unaltered. Assemble and submit a duplicate set of report forms and documents, marked with the legend "PUBLIC INSPECTION COPY."
